DRAFT / DELIBERATIVE

I've added bubble comment responses / suggestions and additional clarifying response text to the RPA / EA RTC (attached). "OM" indicates it is my bubble comment / text. I did not have anything to add to "Mapping."

DRAFT; DELIBERATIVE

Owen, attached are RPA and Mapping RTCs Dave asked me to send. Please take a look at the RPA RTC bubbles that we got back from OMB tonight. Please bubble back to me any thoughts you have on the OMB comments, it will really help Dave and I clear these tomorrow. I hope you feel better and safe travels!!
